# sponsorship

*We have been speaking with several health professionals and business leaders who have suggested that a value-add would make sponsorship of the AVN extremely tempting for them. We have listened to their suggestions and have put together the following sponsorship packages, which we hope all of you will find as exciting as we do!*

While the web advertising can be used for your business or practice, the webinar tickets, t-shirts and memberships can either be given away to key clients or raffled off for a month or two in your business or practice. It has also been suggested that if a raffle is held, the money raised can also be donated to the AVN. You may even want to value-add this raffle by adding on a dinner, treatment or other products you are promoting.

\* In addition to all of the above-mentioned benefits, your name and logo will be listed at the beginning and end of the Introduction to Vaccination Webinar along with a link to your business or practice web site. Please note, this information will be available indefinitely because people can continue to download the webinar into the future.

*Not available to private tax payers.*

*To participate please fill in the Sponsorship form or contact the AVN on 02 6687 2436.*
