

No-one in this house has been served with a Biosecurity Control Order under Section 60 of the Act and you have no authority on that basis to force us to take a PCR test, wear masks or have an experimental Jab.

No one in this house is sick or has Covid. We do not consent to be part of what Professor Skerritt from the TGA and Greg Hunt have called an experiment and clinical trial (ie the Covid Jabs).

Please leave our premises, as you have no legal right to be here.
