WAKE UP AUSTRALIA, SHE'LL BE RIGHT ISN'T WORKING

- 20000+ year 12 students coralled into a stadium to get the jab, without their parents & organised and promoted by NSW helf minister, Tad-of A-Hazard? https://www.youtube.com/watch?v=NpHXc5b85_k&t=118s
- Two of those kids have reportedly died! Have you seen it on Channel 9? A Current Affair?
- It's a not conspiracy theory anymore.
- We are carrying a load for you all, whether you like or not.
- We are at a tipping point, you don't have much time to get on our side of the fence, before you can't get back over.
- Tens of thousands of freedom loving people came together all across the country on the weekend of the 21st and 22nd August, to peacefully protest the continuing erosion of our basic human rights. Join us at the next one.

The government say "we're all in this together". What they really mean is, "they're all in this together". They don't give a toss about you & me, except to coerce you into accepting "their new normal", and getting an experimental injection that is killing and maiming people at a rate higher than all other vaccines combined.

It's up to you if you want to go down that road, but don't expect everyone else to agree with your choice. Because every man, woman and child on this earth have natural born rights & freedom of choice regardless of their race, colour, creed or religion.

It is time to PUT THE UNITY BACK INTO COMMUNITY

- 1) STOP dobbing on your neighbours getting a tradesmen around to do home renovations.
- 2) STOP calling the cops on people not wearing masks at the beach.
- 3) STOP watching mainstream media, THEY LIE!
- 4) STOP living in FEAR, it makes you easier to control.
- 5) STOP wearing masks. FREE YOUR FACE.
- 6) STOP signing in. YOU DO NOT HAVE TO.
- 7) STOP complying with your own enslavement.

**IF THE CURVE HASN'T BEEN FLATTENED BY NOW,
IT NEVER WILL BE.**
