

YOUR FREEDOM DEFENDERS

Dear leader,

HELPING TO AWAKEN THE MASSES TO UNIFY AGAINST THE GLOBALISTS' AGENDA WEEKLY DELIVERY INTO LETTERBOXES GLOBALLY OF MESSAGES OF FREEDOM, JUSTICE, HOPE & TRUTH

We are delighted to include you in this global Weekly Program of physical delivery of leaflets.

Your participation and that of your members is entirely voluntary.

This message is being sent to over 600 organisations globally.

The purpose of this Weekly Program is help awaken people to the threats to their freedoms and health and to their way of life.

Each week's leaflet will be sent to you by email. The 'look' and 'feel' of the leaflet will be consistent. Each leaflet is aimed to be simple, clear, and to lead to 'pattern interrupt', to help in awakening those who are asleep to the threats.

We invite you to share the attached leaflet with your members by email.

There is a section at the top of the leaflet where you may choose to add your organisation's name. By doing so, prior to sharing the leaflet with your members, you will raise the profile of your organisation that can lead to increased membership and support.

Many of your members will be happy that they are being invited by you to do something constructive. It will take them less than 2 hours to deliver 100 leaflets. The only cost of this Weekly Program is the printing on home printers, or at local print shops, of 100 black and white leaflets: this is a small sum indeed, that many members of your organisation will be happy to bear.

Your members should be requested to print just 100 black and white copies, fold them into DL letter size, and then deliver them to 100 letterboxes surrounding their homes or offices.

That's it!

There is no need for your members to talk to anyone.

There is no need for your members to argue with anyone.

Imagine the following:

600 organisations globally, with 1000 members each, who deliver 100 leaflets each. This means that 60 million homes will receive a physical, consistent message of freedom, justice, hope and truth.

Physical leaflets, delivered weekly, have a bigger impact than simply sending emails.

We hope you see the value of this Weekly Program, and that you support it by engaging your members to participate.

All questions welcome.
